Groupe MACH Lights Up Buildings in Red, 50 Days Before the Paris Games

Montreal, QC - July 9, 2024 - Groupe MACH is proud to join the Canadian Paralympic Committee (CPC) in igniting the lights across Canada by lighting up several of its notable buildings in red on Tuesday, July 9th.

The CPC will illuminate over 50 landmarks and buildings across Canada to mark the 50-day countdown to the Paris 2024 Paralympic Games and kick off its Ignite the Light fundraising campaign in partnership with the Paralympic Foundation of Canada. Ignite the Light encourages Canadians to purchase a virtual seat to fill a virtual stadium in support of the Canadian Paralympic Team and inclusive sport. Each seat sold helps raise awareness of the strength and determination of Paralympic athletes, with the goal of raising a total of one million dollars to support Canadian Para sports.

The MACH buildings that will be illuminated on July 9th are as follows:

- Sun Life Building, Montreal
- Complexe Jules-Dallaire, Quebec City
- 410 Charest, Quebec City
- Centre Les Rivières, Trois-Rivières

As a partner of the Canadian Paralympic Committee since 2022, Groupe MACH is proud to promote inclusion and support athletes in their pursuit of sporting excellence.

Join us in cheering on the Canadian Paralympic athletes who will proudly represent our country at the Paris 2024 Games: [Paralympic.ca/ignite](https://paralympic.ca/ignite).
